—makes 1 drink

**Margarita Glass**  
**Margarita Salt**  
**Small Plate**  
**Paper Towel**  
**Shaker**

**Ice**  
**1-½ oz. Patrón Tequila**  
**½ oz. Cointreau Liqueur**  
**1 oz. ReaLime Lime Juice**  
**Lime (Optional)**

Generously sprinkle a layer of margarita salt onto a small plate. Moisten the rim of the margarita glass by rubbing the edge of a lime wedge around the rim, or by dipping the corner of a sheet of paper towel into the ReaLime Lime Juice and rubbing it around the rim of the glass. Dip the moistened rim into the layer of margarita salt and set aside.

Fill the shaker with ice. Pour Patrón, Cointreau, and ReaLime Lime Juice over the ice. Shake ingredients together and pour into the salted margarita glass. Garnish with a slice of lime. Enjoy!
